

# Added hard-to-find benefits increase the value of your TRICARE Supplement Plan!

## Careington POS Dental Network—Dental

Save 20% to 50% on most dental procedures including routine oral exams, unlimited cleanings, and major work such as dentures, root canals, and crowns at over 186,000 participating dental access points.

---

## EyeMed

Members save 20% to 40% off the retail price of eyewear with the EyeMed Vision Care Access Plan D discount program through the Access network. Members are eligible for discounts on exams, eyeglasses and contact lenses from more than 65,000 providers nationwide including independent optometrists, ophthalmologists, opticians, and leading optical retailers such as LensCrafters®, Sears Optical®, Target Optical®, JCPenney® Optical, and most Pearle Vision® locations.

---

## Newport Audiology—Hearing

As a member, you now have access to hearing aid discounts from 15% to 35% at over 2,000 Newport Audiology network providers nationwide.

100% service satisfaction guarantee—You have a 60-day, no-obligation trial period. If not completely satisfied, your money will be refunded. (Less applicable state & restocking fees)

---

When you think about all the extra perks you get with your TRICARE Supplement Plan, not to mention the comprehensive health insurance coverage, you can easily understand why we say that the TRICARE Supplement Plan truly “gives you more!”
